Relationship Guru Hits Amazon With New Book “Bad Dick, Good Jane®”

Dr. Lyn Kelley's latest book gives women surprising insight on how to turn a frog into a prince

San Diego, CA – May 8, 2012. Marriage and family therapist and relationship expert Dr. Lyn Kelley, recently released her highly anticipated relationship self help book entitled “Bad Dick, Good Jane®” on Amazon.com.

The book, a hip, modern and humorous must-read for women of any age, was released on Tuesday May 1, 2012 and explores the age old quest of how to turn a frog into a prince. Dr. Lyn's latest book gives women specifics on how to act and what to say to manage a man's behavior, make him fall madly in love and turn him into a real life prince. The book teaches women why a “Bad Dick” is bad for a relationship and offers advice on how to spot “Bad Dicks” immediately and how to use her proven strategies to turn the tables in your favor. The book describes the 9 worst kinds of mates “Bad Dicks” (Floppy Dick, Stiff Dick, Limp Dick, Player Dick, Slick Dick, Selfish Dick, Addicted Dick, Cheap Dick and Closed Dick) and how best to handle them like “Good Janes”.

“I wrote this book for women who want to be in committed, monogamous, satisfying relationships; however, the principles apply to ALL relationships. The most important decision a woman will ever make in her lifetime is choosing a life mate. And if she's already chosen one, the next most important decision a woman can make is to turn him into a prince or keep him from turning into a frog” says Dr. Lyn. “My book will help empower women and ensure that her mate loves her, commits to her, and consistently treats her with dignity, honor, respect”.

Rich with practical tips and techniques, including sample dialogues to help you make meaningful changes, “Bad Dick, Good Jane®” pinpoints the issues and actions that can make or break relationships and guides the reader in perfecting the skills needed to create a positive vision for their relationships while building a road map for much success and happiness.
